

Dear Durango Business Community Members,

Stillwater Music is proud to support the youth in our local and neighboring communities by providing unique music education programs that have a much further reach into the lives of our students. Stillwater desires to expand to serve the underserved, wherever and whoever they may be.

MISSION Stillwater's mission is to assist in the growth and development of youth, building confidence, competence and a sense of responsibility and belonging through music. We help them navigate the challenges of growing up so that they become healthy, productive and caring adults.

PRINCIPAL PROGRAMS Stillwater provides after-school music classes for youth and adults in the Four Corners area to students of all ages, regardless of ethnic or cultural background. Stillwater's education model has all students participating in functioning ensembles that perform regularly in public.

The current after-school program includes 10 youth classes for all skill and experience levels. In addition Stillwater provides music instruction for students of Durango Montessori School, Mountain Middle School and the Boys and Girls Club. Stillwater's scholarship program ensures that youth students may participate regardless of ability to pay. In addition, at-risk youth and developmentally disabled youth and adults receive full scholarships.

Stillwater Music is committed to maintaining a well-managed organization because we are passionate about local kids doing great things. Such efforts would not be possible without the generous support from our community and local businesses such as yours.

Supporting Stillwater Music increases the opportunity for local area youth to experience after school and summer music programs that are aimed at building responsible, caring and community focused adults.

Please consider what it means to be a sponsor and help us represent our youth doing what they love while gaining skills for life.

Thank you for your time and consideration as it is greatly appreciated.

Please feel free to contact me at 970-946-3049 or for more information.

Sincerely,

Jeroen van Tyn
Executive Director
